3. NEW SIGN IN

The screenshot shows the sign-in interface for the Touch Surgery app. At the top, there is a header with the 'Ts TOUCHsurgery' logo. Below the header are two input fields: 'Email' and 'Password'. A dark grey 'Sign in' button is positioned below the password field. Underneath the button is a link for 'Forgot password?'. Further down, there is a grey 'Sing up' button, followed by a link for 'Learn more'.
